Heat forward Josh McRoberts **tore his own jersey in anger** after missing a rebound in a win over the Raptors last Sunday and had to come out of the game.

BREAKOUT PERFORMER

HOT

Kevin Youkilis

The Greek god of walks saunters into the sunset. Farewell to a hard-nosed grinder whose 11-year career was based on balls.

Rosie Napravnik

She won the Breeders' Cup Distaff then announced she was pregnant. She was riding for \$2 million—and for two.

NASCAR Fights

Jeff Gordon and Brad Keselowski had the second postrace scuffle in a month. They're not staged, but Vince McMahon would be at home on pit road.

Joe Maddon

He's going backward. Guys in their 60s are supposed to ditch the losers and move to Florida.

Russell Westbrook

Given the chance to prove he's more than Kevin Durant's righthand man, he broke his right hand.
