The Movember Group Pty Ltd acts as the Trustee of the Movember Foundation (“the Foundation”). As Trustees of the Foundation, the Directors aim to set the highest standards possible for the performance of the Foundation.

Movember Canada is a wholly owned subsidiary of the Foundation, and these Governance Policies are based on the Governance Policies of the Foundation. Board Policy 01: Independence and Conflicts of Interest

Adopted by the Board on 8 August 2012

Amended by a resolution of the Board on 21 August 2013

Amended by a resolution of the Board on 13 August 2015

1 Purpose of this Policy

1.1 The Board has adopted this Policy:

- 1.1.1 to assess the independence of directors; and
- 1.1.2 to handle conflicts which may arise for Directors.

2 Independence

Board policy on 'independence'

2.1 Independence is about whether a Director is independent of management and free of outside influences which could materially interfere with the independent and objective judgement of the Director.

2.2 Generally, an independent Director will:

- 2.2.1 be a non-executive Director;
- 2.2.2 not have, within the last three years, been employed in an executive capacity by the Charity, or been a Director after ceasing to hold any such employment;
- 2.2.3 not be a principal or employee of a material professional advisor or consultant to a the Charity;
- 2.2.4 not be a material supplier or customer of the Charity;
- 2.2.5 not have a material contractual relationship with the Charity other than as a Director;
- 2.2.6 be free from any interest and any business or other relationship, which could, or could reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Charity; and
- 2.2.7 not have served on the Board for a period which could, or could reasonably be perceived to, materially interfere with the Director's ability to act in the best interests of the Charity.

2.3 The Board will have regard to these factors in determining the independence of a particular Director, but the overriding consideration will be whether a Director is

independent of management and free of outside influences which could materially interfere with the independent and objective judgement of the Director.

- 2.4 The Board will periodically assess the Independence of each Director in the light of the interests disclosed by them, and each Director will provide the Board with all relevant information for this purpose in accordance with the Declaration of Interests process.

Independence is distinct from conflicts of interest

- 2.5 A Director's independence is different to whether that Director has or could be perceived to have a conflict of interest. The Board considers that the concepts of 'independence' and 'conflicts' should be distinguished for the purposes of assessing the independence of a director.
- 2.6 Any determination regarding independence does not change a Director's obligations in relation to addressing conflicts of interest. The Board's policy on conflicts is set out below.

3 Conflicts of interest

Meaning of Conflict

- 3.1 In this Policy, Conflict refers to:
- 3.1.1 any conflict or potential conflict including any direct or indirect interest in a proposed or existing transaction (a Conflict of Interest); and
 - 3.1.2 a situation or duty in which a Director has or could have a direct or indirect interest which conflicts or possibly may conflict with the interests of the Charity including a wish or duty to exploit any property, information or opportunity (a Conflict of Duty).
 - 3.1.3 Conflicts of Interest and Conflicts of Duty also apply to people connected to the Directors including any child, parent, grandchild, grandparent, brother, sister, spouse or civil partner or anyone living with the Director as his or her partner.
- 3.2 Directors will comply with both the letter and spirit of the law and of this Policy relating to the handling of Conflicts. When in doubt as to whether a Conflict exists, or might be perceived to exist, Directors will adopt a cautious approach and will assume that there is a Conflict and act accordingly.

Standing agenda item

- 3.3 Conflicts will form a standing item on the agenda of all meetings of the Board, and the Chair will ask all Directors to declare all Conflicts at the meeting.

Protocol in the event of a Conflict

- 3.4 Where a matter on the agenda of a Board meeting is identified before the meeting as involving a Conflict for a Director/s, the Chief Executive Officer will consult with the Chairman, or in the case of a Conflict involving the Chair, then with another appropriate non-conflicted Director, and if appropriate the Director/s affected by the

perceived Conflict will not be sent the papers on that matter and will be informed of the reasons.

3.5 Where a matter discussed at a Board meeting involves a Conflict, the Director affected must disclose full details of the Conflict verbally, and:

- 3.5.1 the declaration will be incorporated in the minutes of the meeting;
- 3.5.2 after disclosure of the Conflict and all material facts, and after any discussion with the potentially Conflicted Director, the potentially Conflicted Director shall leave the Board meeting while the determination of the potential Conflict is discussed and voted upon;
- 3.5.3 if the other Directors are satisfied that the Conflict is not significant and does not create a real danger of bias or appearance of bias the conflicted Director may fully participate in the discussions and voting, unless the Board resolves otherwise;
- 3.5.4 if the other Directors are satisfied the Conflict creates a significant danger of bias or Conflict of Duty (the Conflict affects the Director or a person connected to the Director more than the generality affected by the decision) the Director must not vote or participate in discussions, unless the Board resolves otherwise;
- 3.5.5 if the other Directors are satisfied that it is an *actual* Conflict:
 - (a) the conflicted Director must, if required by the Board, provide full details of the Conflict and other related information as reasonably required;
 - (b) the conflicted Director must withdraw from the meeting room while the matter is discussed, and the minutes noted accordingly;
 - (c) before withdrawing, the conflicted Director may address the Board or ask or answer any questions in relation to the matter (but it is in the discretion of the Board whether it is appropriate to answer the question);
 - (d) The Chairman shall, if appropriate, appoint a disinterested Director to investigate alternatives to the proposed transaction or arrangement involving the Conflicted Director;
 - (e) After exercising due diligence, the Board shall determine whether the Charity can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a Conflict;
 - (f) If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a Conflict, the Board shall determine by a majority vote of the disinterested Directors whether the transaction or arrangement is in the Charity's best interest, for its own benefit, and whether it is fair and reasonable;

- (g) those Directors unaffected by the Conflict must consider whether the Conflict requires other action to be taken; and
- (h) all of the above shall be noted in the minutes of the meeting of the Board.

3.6 Full details of all discussions and resolutions of the Board, in the absence of a conflicted Director, are to be recorded in the minutes of the meeting, and, if thought desirable in the interests of the Charity, that part of the minutes may be withheld from the conflicted Director.

Board Policy 02: Risk Management

Adopted by the Board on 8 August 2012

Amended by a resolution of the Board on 21 August 2013

Reviewed by the Board on 13 August 2015, no changes made

1 Purpose of this Policy

- 1.1 In its governance role, and particularly in exercising its duty of care and diligence, and associated legal duties, the Board is responsible for ensuring that appropriate risk management policies and procedures are in place to protect the assets and undertaking of the Charity. The Directors have a general duty to take reasonable steps to assess and manage risks to the Charity's activities, beneficiaries, property, work and reputation.
- 1.2 This Policy is adopted to ensure fulfilment of those duties and responsibilities.

2 Policy

General approach

- 2.1 Underpinning this policy, the Board adopts an active approach to risk management which recognises that the Charity is engaged in activities, which necessarily demand that the Charity take certain usual business, entrepreneurial and operational risks.
- 2.2 Accordingly, and in the interests of the enhanced performance of the Charity, the Board embraces a responsible approach to risk management, as a risk-aware Charity, and not a risk-averse one and requires the CEO to ensure that an approach to managing risk is implemented as part of the day to day operations of the Charity, identifying and managing the material risks in the following categories:
- 2.2.1 strategic risks;
 - 2.2.2 operational risks;
 - 2.2.3 compliance risks; and
 - 2.2.4 reputational risks.
- 2.3 The identified risks are set out in the Charity's Risk Register, and mitigation plans for these risks are to be developed with a view to ensuring that, rather than being a complete and stand-alone document, the Charity's risk mitigation plans are part of the day to day business and project decision-making within the Charity.
- 2.4 The Charity's approach to prudent risk management does not require that all risks be identified and eliminated, but that procedures are in place to identify material risks and, where the likelihood and/or consequences of such a risk occurring so demand, that steps be taken to minimise, eliminate or transfer that risk.

- 2.5 Specifically, in managing risk, the Board and Management are to adhere to the following principles:
- 2.5.1 When considering new strategies or projects, management is to analyse the major risks of those opportunities being secured or being lost, and will consider appropriate strategies for minimising or mitigating those risks where they are identified.
 - 2.5.2 The Risk Register will be reviewed regularly by the Board.
 - 2.5.3 The Charity will, where thought prudent by the CEO, EDP or the Board, take appropriate external advice to determine the best way to manage a particular risk.
 - 2.5.4 Financial risk will be managed by the whole of the Board working closely with the CEO and EDP, to ensure that the financial statements and other financial reporting are rigorously tested prior to submission for audit.
 - 2.5.5 To complement risk management by the Charity, appropriate insurances are to be in place, and advice taken from the Charity's brokers or insurers where necessary, to cover the usual risks for businesses such as that of the Charity, and where practicable, to cover any particular extraordinary risks which arise in the circumstances of the Charity.
 - 2.5.6 The Charity's approach to risk management, and the effectiveness of its implementation, is to be reviewed formally at least annually by the Board.

Board Policy 03: Board Performance Evaluation

Adopted by the Board on 8 August 2012

Amended by a resolution of the Board on 21 August 2013

Reviewed by the Board on 13 August 2015, no changes made

1 Purpose of this Policy

- 1.1 To assist the Board in its role of monitoring performance of the Charity, the Board has undertaken to regularly evaluate the performance of the Board (including individual Directors) and the Committees of the Board.
- 1.2 Those evaluations will occur in accordance with this Policy.

2 Policy

Reviews

- 2.1 Every two years there will be an evaluation of the performance of the Board (including Directors and Committees).
- 2.2 The purpose of the evaluation is to evaluate how effectively the Board, the Directors and the Committees are fulfilling their role and duties.

Process for reviews

- 2.3 The evaluation will be carried out by a Director or any other persons nominated by the Board.

Outcomes of reviews

- 2.4 All reviews are to include open discussion by the Board of the results of the evaluations and to decide any changes which are required to be made by the Board to address any lack of performance and to agree the goals for the Board and, separately, for its Committees for the ensuing year. Board and Committee goals will always be set having regard to the approved strategy of the Charity.
- 2.5 If particular concerns arise from the evaluation in relation to any individual Director, or Committee, the Chairman will meet with that Director, or Chairman of that Committee, to discuss the concerns and any actions to be taken as a result. If the concerns relate to the Chairman, then the Chairman will discuss the matter as appropriate with the Board.

Regular feedback

- 2.6 Directors will also be encouraged to provide feedback on a regular basis on the conduct of Board meetings and other business, and the preparation for them, in order to assist in the continual improvement of the way the Board carries out its role at a 'micro' level. For this purpose, it will be a standing item on the agenda at the end of each meeting, to ask for feedback or concerns of Directors with respect to the way in which the meeting, or preparation for it, could have been improved, or any other issues of concern to Directors with respect to the conduct of Board business.

Board Policy 10: Charter: Movember Foundation Global Men's Health Advisory Committee

Adopted by the Movember Board on 28 April 2015

1. Role of the Committee

The Global Men's Health Advisory Committee (the 'Committee') is an advisory committee to the Movember Foundation Board. The role of the Committee, and any working groups established by the Committee, is to oversee the implementation of the Movember Foundation's Global Men's Health Strategy.

2. The Movember Foundation's Global Men's Health Strategy

2.1. The Movember Foundation's Global Men's Health Strategy aspires to have an everlasting impact on the face of men's health. The Foundation's overarching goal is to ensure that men live happier, healthier and longer lives. We do this by investing in programs that focus on social, psychological and behavioural aspects of men's health needs and that are aligned to our four strategic men's health goals:

2.1.1 Men and boys are physically active.

2.1.2 Men and boys are socially connected.

2.1.3 Men and boys are comfortable to discuss the impact of significant life events.

2.1.4 Men and boys are comfortable asking for assistance/support if they experience suicidal behavior.

2.2. More specifically, the Movember Foundation will invest, through partners, in activities that:

2.2.1 Engage men and boys about their health and wellbeing in settings outside of the health system, for example, workplaces and schools. That is, take a 'go to where men gather' approach.

2.2.2 Apply a 'male lens' to issues related to health and wellbeing and draw on the positive aspects of masculinity that influence men's health behaviour.

2.2.3 Increase our understanding of 'what works' to change men's and boys' health behaviours (with a particular focus on what works for who in which contexts).

2.2.4 Support communities and individuals to take action to promote health and wellbeing, and prevent health problems from developing.

2.2.5 Lead to more men and boys with poor health and wellbeing taking action early to improve their health and wellbeing, and where supported by the evidence, avoids them accessing 'higher intensity' services.

2.2.6 Catalyse new models of improving the health and wellbeing of men and boys that can scale within and across countries.

- 2.3. Given the above context, there are four key aspects to the Movember Foundation's role as strategic funder in the men's health and wellbeing field. To be a:
- **Catalyser:** to catalyse psychosocial projects that will eventually contribute to results at a population level.
 - **Accelerator:** to accelerate the application of new knowledge from our investments to ensure they change practice and behaviour.
 - **Connector:** to provide an ongoing connection between and across our partners and those working to achieve the same results for boys and men.
 - **Disrupter:** to disrupt long-held assumptions and invest in approaches which challenge the status quo.

3. Composition and administration

Composition

- 3.1 The Committee will be appointed by the Board and as far as possible comprise:
- 3.1.1 An independent men's health expert as Chair, nominated by the Movember Foundation.
- 3.1.2 A minimum of five additional experts from the countries that the Movember Foundation invests in (Australia, Canada, UK, US and New Zealand).
